## Realistic Medicine – Towards more personalised care

Thursday 5 June 2025

18:30 – 20:20

Online

### Sessions presented by the following speakers:

- Dr Julie Mardon, Clinical Director, Scottish Simulation Centre
- Mr Michael Stewart, Head of Litigation, NHS Scotland Central Legal Office
- Dr Kirsty Boyd, Reader in Palliative Care, University of Edinburgh
- Dr Steinunn Boyce, Consultant in Palliative Care, NHS Fife

This session is designed to equip clinicians with the knowledge and confidence to deliver high-quality, person-centered care, while helping to support meaningful shared decision-making and effective communication with patients.

Topics include:

- Simulation to reduce risk
- Shared decision-making and the law
- Future care planning
- How to write to patients

All grades of medical, nursing, scientific staff, allied health professionals and medical students are welcome.

All recordings of talks available to delegates for six months via catch-up.

**CPD** +2\*  
Credits

#RCPEREALISTICMED

\*2 CPD credits applied for.
